MEMPHIS AND EL PASO.

General Frement's Defense-His Reply to the French Tribunal-The El Paso Bond Sales in Paris.

Complicity in Forging the Certificate of the Stock Exchange and in giving Assurance of a Government Guarantee Denied,

Judgment Against him by Default-His Own Version of an Extraordinary Story.

From the New York Tribune, 7th.]

A Tribune reporter called, iast evening, on General John C. Fremont to ment. It only seeks to gather the money of the people without prophis, El Paso, and the Pacific bond sales, and to obtain his version of the ansaction. General Fremont was eviently annoyed at the revival of a matter which, he said, he had considered settled by the action of congress, so far integrity was concerned. He that he had been one of the greatest vote against indersing my sufferers from them; for one of the had the honor of a unanime

> FALSE REPRESENTATIONS Paris for the purpose of setting the matter right. He was told by Paradise and Probst that the start of Paradise and which had been made, he hastened to Probst that the story of government guarantee had been honestly started under a misapprehension. They had

Teachers son if he had heard of it in time; and, as the "outcome" of the thriving city it such cause to be finally settled by the directors. The schools are to be free to flual vindication from the charge of tured, if there be truth in federal histo-

The permanent school fund shall be the one million five hundred thousand dollars declared by section nine hundred and ferty-six of the code, to which is to be added the accrued interest, making the entire school fund two million five hundred and twelve thousand five hundred and twelve thousand five hundred and twelve thousand five hundred dollars. The principal of said fund shall always remain unimpaired and entire, and the annual income of interest, paid semi-annually at six per cent, is to be devoted to public schools exclusively. There is to be a poll tax of one dollar of all taxable property fift the same purpose.

All moneys in the treasury of the State for the annual support of her schools, on the thirteenth of April, 1855, the shackles were stricken court, spoken of in yesterday's Tribunc. On being asked if he had preserved a copy of the document forwarded to the court, he said that he had retained only rough notes which he had taken before preparing it; but that they, with the aid of his memory, would serve to indicate the principal points. The General then produced a few loose shaets of part, on which the notes were written, and made the following statement to the reporter, embodying, as he said, the facts given in his affidavit to the French tribunal:

SUESTANCE OF THE AFFIDAVIT.

SUBSTANCE OF THE AFFIDAVIT. During my explorations across the continent I became convinced that a southern trans-continental railroad line was preferable to lines further north, and This will be read with sincere regret by every lover of earnest patriotism and true picty.

We congratulate our fellow-citizens of Nashville that great interest is taken abroad in the approaching State industrial and mechanical exposition. The control of the assage.

This will be read with sincere regret apportionment to the county trustees of government to the county trustees of some newspaper at the seat of government to build it, for which purpose to build it, for which purpose the bonds and other property of the county. None of the provisions of this act are to interfere in any wise with schools or school-systems already established in cities and incorporated towns.

This act is to take effect from and after its passage.

This act is to take effect from and after its passage.

The county trustees of apportionment to the county trustees of government to the county, and shall give notice in phis, Ea Paso and Pacific road, under a contract to build it, for which purpose the bonds and other property of the company were to be placed under my control. Agreeable to the contract I became a director of the road, and engaged in the management of its affairs as chairman of the executive committee. I then formed the plan for a southern trans-continental railroad, baving for its basis the charter of this road, and

day with such lorce and earnestness in behalf of the prosperity of Memphis, and so wisely of our proposed railway system, should reflect that no city can be content to stand still. If it be not progressive the effect is the same upon its own and the people of other cities.

Bellinger for engage in manny o'clock, so onerous are their labors in the regular body, the committees, etc. Meanwhile their constituents may be at home comfortably snoozing and complaining. This is unjust. The pittance of a per deim of four dollars is but a poor return for days and nights of the mean time he had associated with himself M. Emanuel Lissignol. Meanwhile their constituents may be at home comfortably snoozing and complaining. This is unjust. The pittance of a per deim of four dollars is but a poor return for days and nights of the most incessant isbor, taxing both health and strength; and unless they receive

is mine or not, or whether it was writ-ten to be used for that purpose. My impression and belief is that it was not so forwarded by me. If it was, it must have been brought to me and forwarded in the ordinary course of my duties as chairman of the executive committee. Having at the time no doubts about the haracter of the men I was acting with could have had no reason for specia losed in any letter of mine, it was or he assurance given to me, and with ull belief on my part, that it was gen

months later I was in Paris, and for four months I met and answered; in the most ablic way, the charges which were brought against the company in the newspapers. These were chiefly, that misrepresentations had been made in claiming for the bonds a guarantee of interest by the United States. Nothing was heard at that time of the forged certificate. In regard to the MISREPRESENTATIONS

I can say that nothing of the kind was ever written, said or intimated in any way by myself, or, as I believe, by any officer or director of the company in New York. We were publicly engaged at the time in pressing before congre the right of way across the governmen lands, and such an assertion would have een absurd. The bonds showed on their face what they were, and it would have been toolish in anyone to try to vary their purport by verbal or written external misrepresentations. This and all the charges made in Paris were repeated in Washington during the winter, and had said that if frauds were committed, or misrepresentations made, they had been without his knowledge or consent, and that he had been one of the greatest that he had been one of the greatest vote against indorsing my acts, and I ongress committee. When brought beinest railroad projects ever favored in the senate in my favor. I have only to this country had passed from his into add, for what was more especially my other hands. He was not in Paris part in the business of the compared in the compare when the bonds were put upon the mar-bet, and had no connection with the business, which was left entirely to others, though his name became prominent on account of his being chairman of the detail which were committed specially Amount of all the Assets of the Company. executive committee.
